*Join Us* and campaign for TAFE!

## WHAT CHANGES DO WE WANT TO THE NSW GOVERNMENT'S TAFE AGENDA?

- restore funding to TAFE - \$1.7bn is being cut from the education budget
- value TAFE's importance in building a civil society and sustainable communities
- scrap 'Smart and Skilled NSW', and stop subjecting education to competitive market principles
- support access and equity programs in TAFE
- reinstate professional training for TAFE teachers, and keep trained teachers in TAFE - hundreds of teachers in TAFE Institutes are losing their jobs at this moment
